THE OPPORTUNITY

After 30+ years with Dumfries Mutual Insurance Company (Dumfries), the current President and CEO will be retiring in Q4 2022.

As the new President and CEO, you will have a unique opportunity to build on a solid foundation while strategically moving Dumfries Mutual to the next level of growth and profitability. As a strategic visionary, you embody the values that transcend the 'Mutual System' and are comfortable questioning the status quo as well as empowering change. You make decisions rooted in facts and thorough analysis, and empower those around you to take initiative.

You nurture and maintain an open and transparent relationship with the Board of Directors by providing frequent and timely reports on strategic, operational, and insurance policy matters impacting the organization and, by extension, the policy holders. Finally, you have a passion to make a difference within your community, and want to be part of something bigger.

If this sounds like you, your areas of focus will include the following:

- Strategic Planning
- Financial Leadership
- Board Advisor and Collaborator
- Employee Engagement and Empowerment
- Regulatory Compliance, Governance, and Risk Management
- External representation of Dumfries and partnerships

COMPANY BACKGROUND

Dumfries Mutual Insurance Company is a residential, auto, farm, and commercial insurance company that serves Cambridge, Kitchener-Waterloo, Guelph, rural Hamilton, and surrounding areas. The spirit behind mutual insurance is supportive and helpful. It's about looking out for the greater good — and that's what makes Dumfries

different. Founded in 1856, in the Village of Roseville, they are proud to be the oldest Ontario farm mutual insurance company.

Dumfries aspires to be *“a competitive, fair and responsible mutual insurance organization that embraces new technologies and growth. Our people operate within a culture of outstanding service and innovation to provide an exceptional stakeholder experience.”*

Their aspiration is fast becoming reality with the support of a small yet mighty team that currently underwrites approximately \$20 million in gross written premiums which contributes to a stable surplus.

EXPERIENCE and COMPETENCIES:

- A minimum of five years' management experience working in the property and casualty insurance industry, or related financial services, with demonstrated success in building cohesive, engaged and motivated teams.
- A minimum of two years' experience working closely with a Board of Directors.
- Proven leadership skills – confident, persistent, empathic, persuasive and motivating. Able to delegate and be hands-on, when necessary.
- Several years' profitable 'P &L' experience, for a business unit/company.
- Data-driven mindset with strong analytical and quantitative skills.
- Demonstrated passion for community involvement.
- Proficient in Microsoft Office with advanced Excel skills.
