

Isn't it time for a better insurance experience?

PEOPLE FIRST. OUR FOCUS SINCE 1856.

ABOUT LEE ELLERY, AGENT

I am a proud Oxford County native who's thrilled to call Ingersoll my home town. As someone local, I am closely familiar with the people, organizations and businesses that thrive here. As a Dumfries Mutual insurance agent, I'm passionate about providing you with wonderful service and excellent risk protection you can afford. When working with you, I bring my knowledge and experience from working in the industry since 2005. I am a Western University graduate with a Bachelor of Arts Honours degree. When I'm not working, I enjoy being a "Hockey Mom" and spending time with my family and friends.
